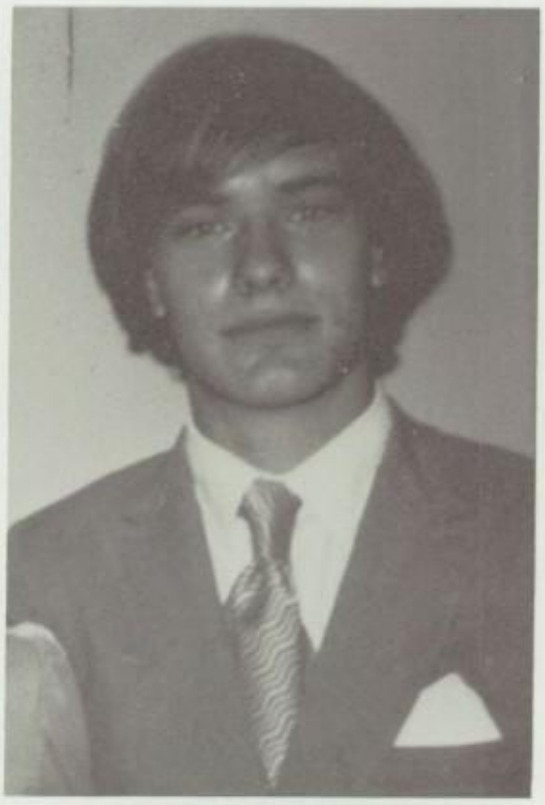
IN MEMORY OF ROBERT DOUGLAS DOW

died March 2, 1975



Bob was a nice guy and a great friend to have around, who had many other friends, both older and younger than him. He always wanted to help them when they needed help, not expecting anything in return. If you had a problem with something, Bob could always make you see the bright side of it.

Bob was a junior here at Custer and was well liked by all of his teachers. Students in his classes won't forget the way Bob was because he was always clowning around. That is why he had so many friends.

Though we are not happy to have Bob gone, maybe he is happy where he is in the hands of God. I know I will never forget Bob because he was so nice to me, and I hope all of you will not forget him either.

1975 Team Goes Farthest in School's History

The Custer Varsity football team set six school records in the course of the 1974 season. Of these six records, the following sum up the tremendous year the team had: Best record (6-2), Longest winning streak (6 games), and highest standing in the league (1st place tie). At the beginning of the season, Custer appeared to be going nowhere. Two straight defeats left the Indians at the bottom of the conference. The players could have given up right then and just forgot about the rest of the season. Instead, the pride of the team propelled them to their great finish.

With the underrated offensive line opening up huge holes, senior backs Kurt Brinkmann and Sheldon Reid led the team on the ground, gaining close to 1,000 yards between them. And when a pass was needed, Custer's quarterback, Jim Glodowski did the job, passing for almost 400 yards. When the offense couldn't move the ball, the defense made sure the other team didn't either. Led by Bruce Smith, the defense held opponents to 67 points, including key shutouts over Madison and Washington.

The division race boiled down to the last week. If Madison could beat Marshall, Custer would meet Tech in the City Championship. Marshall beat Madison in the final minutes, however, and the Indians had to play Pulaski for second place. The team pulled out a victory over the Rams in a tough game to put a good finish on an outstanding year.

The 1974 team was undoubtedly one of the best in Custer's history. With a little luck they could have been City Champs.

"Splashing to Better Years"

This year was a year for rebuilding because we lost so many good swimmers last year.

Coach Smith and the team for next year are looking foward to even a better season next fall, though competition is becoming stiffer.

We know our girls will be the best next year.

C.C. Team places in City, and State.

VARSITY CROSS COUNTRY — KNEELING — Gary Myles, Brian Blanchette, Don Hellwig, John Melnick, John Demetropoulos. STANDING — Coach Krueger, Linda Peters, Jim Nehls, Neil Christensen, Rock Frenchy, Lynn Beheler, Clach Myers.

Losing a lot of seniors, Coach Krueger knew his team would have to work very hard to be a contender this year. The team members pushed themselves hard enough to place 4th in City, 2nd in the Northside Championship, and 2nd in the State Regional, missing first by 1 point.

Leading the Indians was team M.V.P. John Melnick who placed 1st in the Northside Championship, 1st in State Regionals, and 4th in City.

Other outstanding runners were Jim Nehls, Gary Myles, and John Demetropolous.

Coach Krueger feels if everyone comes out next year his team will be just as good as this year's.

The J.V. Cross Country team composed of mainly sophomores showed themselves the class of the City, winning the Northside Championship, and the City Meet.

Leading the J.V. were Wes Glenn, 2nd in City; Gary Clark, 3rd in City; and Dave Adams, 4th in City.

These 3 runners along with the rest of the team should easily bolster next year's Varsity team.

Looks Toward Next Year

The 1974 Soccer team was rated as a favorite in the City Conference. The team played well, but finished third in the Gold Division behind strong Riverside and Madison teams. In the playoff game for third place, Custer defeated Tech 6 to 0. The Indians were led by Mike Schultz and Lee West, (who were both named All-City the second year in a row) and Chuck Engert and Lee Cielonko, (who both earned All-City honorable mention honors.)

Next year's team hopes to improve on this year's 5-2-2 record, mainly with the strength of 19 returning lettermen. The only graduating members of the team are Chuck Ledger, goalie; and Tom Ogas, halfback. The team members and Coach Williams agree that with a lot of hard work and dedication they could bring their first City Championship in soccer to Custer.

FIRST ROW — Troy Couillard, Lee West, Warren Wanzo, Danny Jackson, Tom Ogas, Mike Schultz, Dan Hagen, Jive Rahme. SECOND ROW — Rollie Geifuss — Mgr., Terry Ishihara, Dave Nehls, Allan Augustine, Chuck Ledger, Dave Waddell, Jim Sievert, Chuck Krall. THIRD ROW — John Hansen, Chris Gorecki, Mark Eggert, Dale Polzin, Lee Cielonko, Lon Johnson, Brad O'Leary, Larry Haase, Don Milet, Herman Lewis, Ken Bannach, Bill Rittmann, Greg Voelzke, Coach Williams.

Basketball Team Struggles Through Season

With only two returning lettermen the 1975 Varsity basketball team wasn't expected to do much. And that's just what happened. After a strong start, the team lost 7 out of 8 games. The rest of the season was nearly the same as the team finished with a 5-8 record. The few bright spots were the accurate shooting of captain John Shafranski, and the surprisingly good play of the juniors on the team. With the 12 juniors and 2 sophomores who are returning to the Varsity next year the '76 team should definitely be a contender for the city title.

The 1975 Sophomore basketball team finished the season with 7 wins and 10 losses. This put the team in a tie for tenth place in the City standings. Coach Poksheva stated that this years team was most notable for its agressive defense and that the team was the tallest he has coached while at Custer.

VARSITY WRESTLING — KNEELING — Jeff Mallett, Keith Miller, Norm Eckstaedt, Greg Mann, Pat Seubert, Brian Wilson, Mike Neudling. STANDING — Coach B, Dennis Farvour, Steve Fondreist, John Hayden, John Kroll, Killer Kolins, Jeff Makoutz, Jim Sardina.

Before the season opened, the 1974 wrestling squad had the makings of a fantastic team. But for a variety of reasons 8 returning lettermen decided not to come out.

This left Coach Borzykowski with a young, inexperienced team. The team developed well enough however to take an 8th place in the City Championship.

The team was led by co-captain Dennis Farvour who became Custer's first City Champ in three years, winning the 185 lb. title.

Other strong performances were turned in by co-captain Jeff Makoutz, John Kroll who took 5th in City, and Pat Suebert who took 6th in City.

Coach Borzykowski feels that with his young wrestlers now having valuable experience next year's team can go a long way.

According to Coach Williams this year's J.V. Wrestling team was different from his past teams in that the team was one of the best he's ever had but it lacked outstanding individuals.

Coach Williams said his best wrestlers were Mike Neudling, who took 3rd in the Sophomore City Championship, and Steve Butler who took 4th.

Coach Williams also stated it was a complete team spirit that brought in this year's many victories.

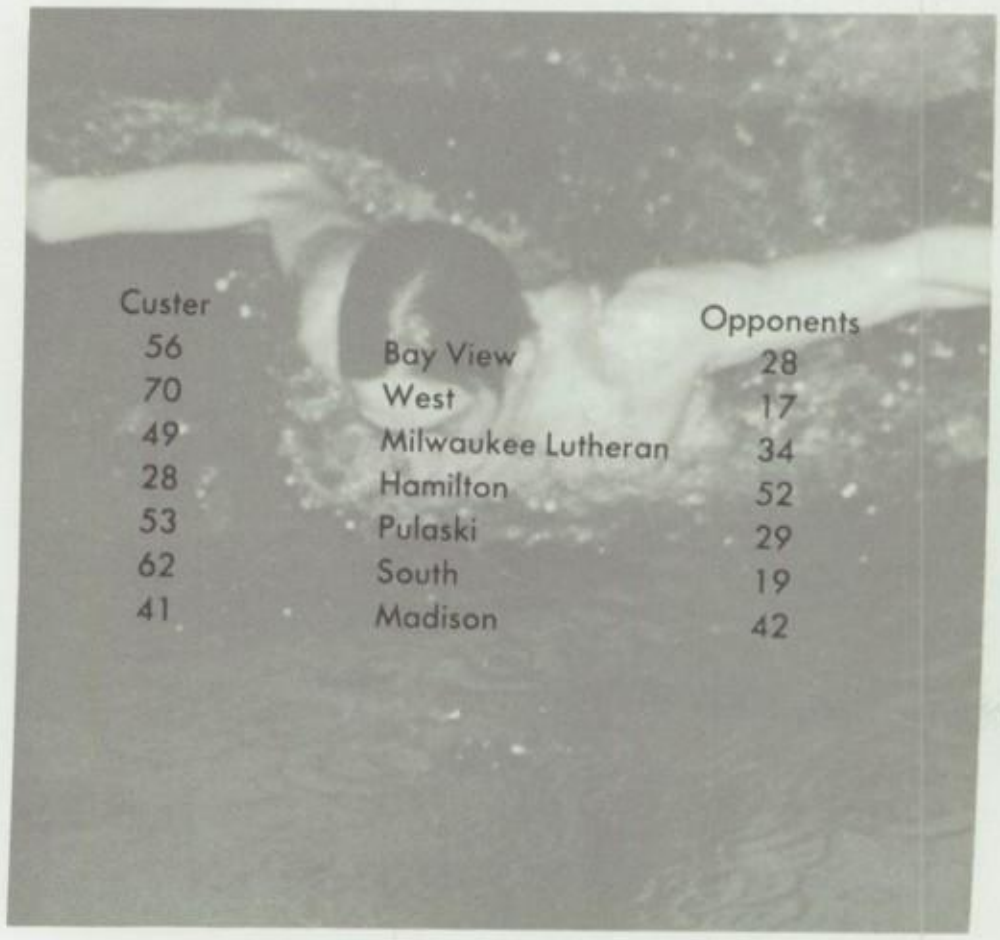
Juniors Lead Team to 4th in City

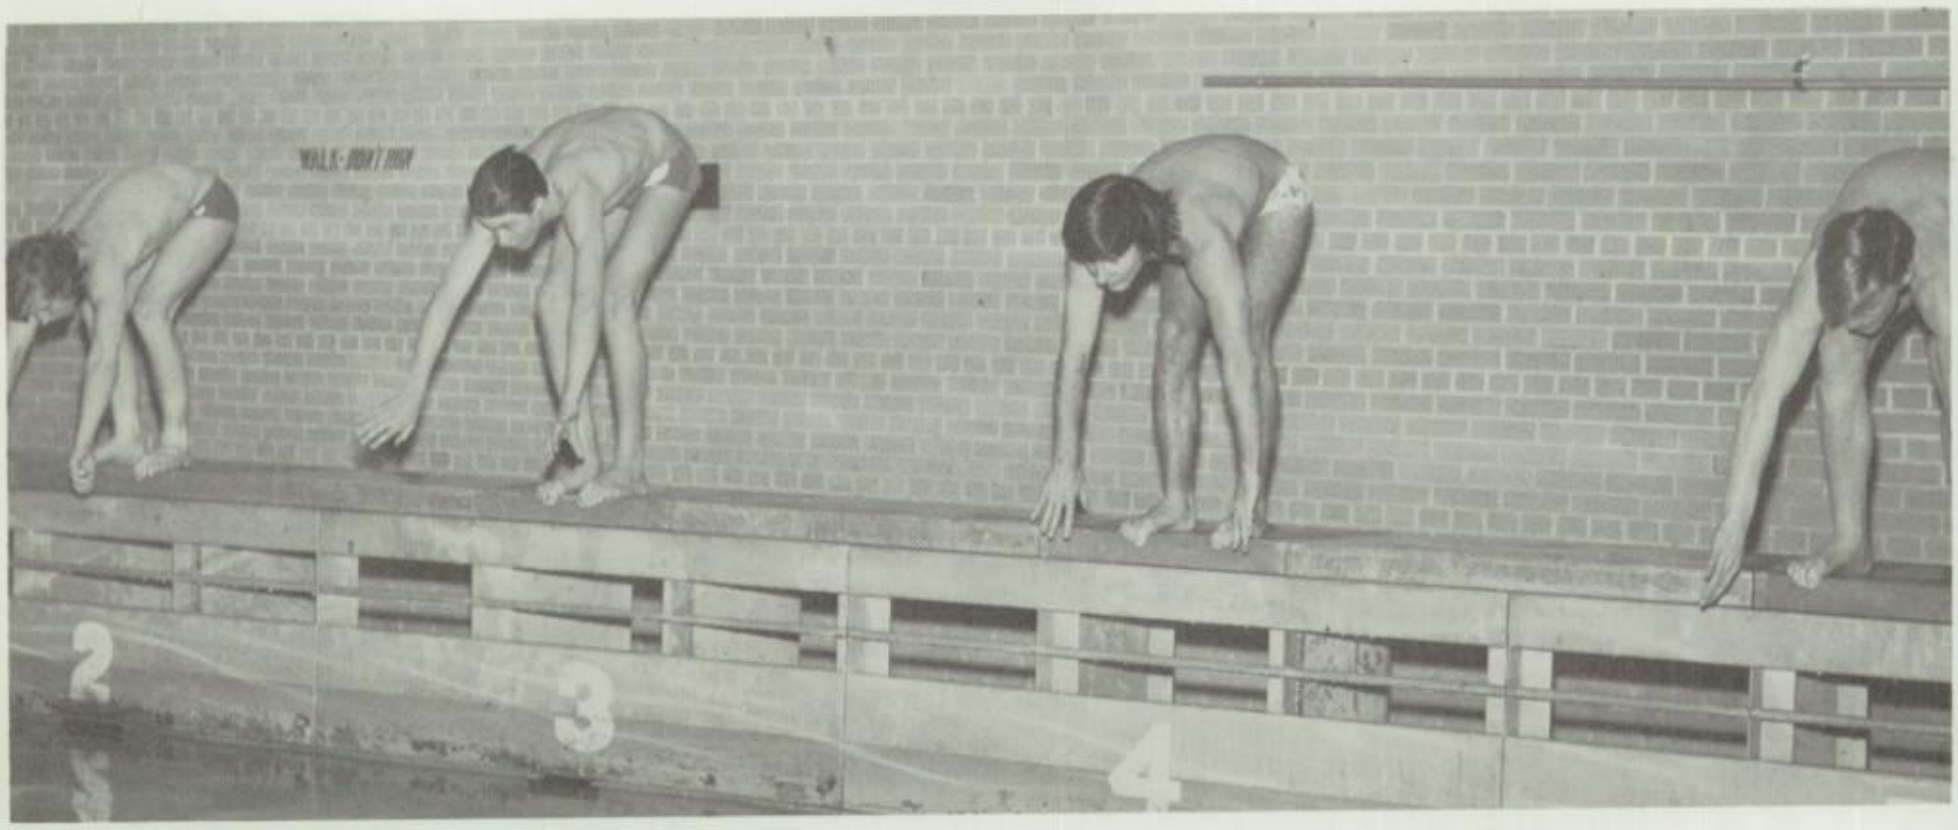
VARSITY SWIM TEAM — FIRST ROW — Scott Bauer, Bill Davis, Dale Weichardt, Wally Kutch, Greg Loesche, Jerry Cler. SECOND ROW — Rick Baumann, Don Hellwig, Dave Kaczor, Randy Whyte, Dave Walsch. THIRD ROW — Larry Thompson, (mgr.) Bob Kieckhefer, Tony Mastrocola, Tracy Minger, Dave Gora, (mgr.) Coach Henderson.

With a team composed of mostly juniors, the 1975 swim team did good enough to place 4th in the City Championship. This was the best showing by a Custer team in 4 years.

The team was led by Randy Whyte who set a school record in the 500 yard freestyle of 6:04.3 and team captain Bill Davis who set a school record of 2:19.0 in the individual medley.

Coach Henderson stated that this year's team could be noted for its dedication, hard work, and enthusiasm.





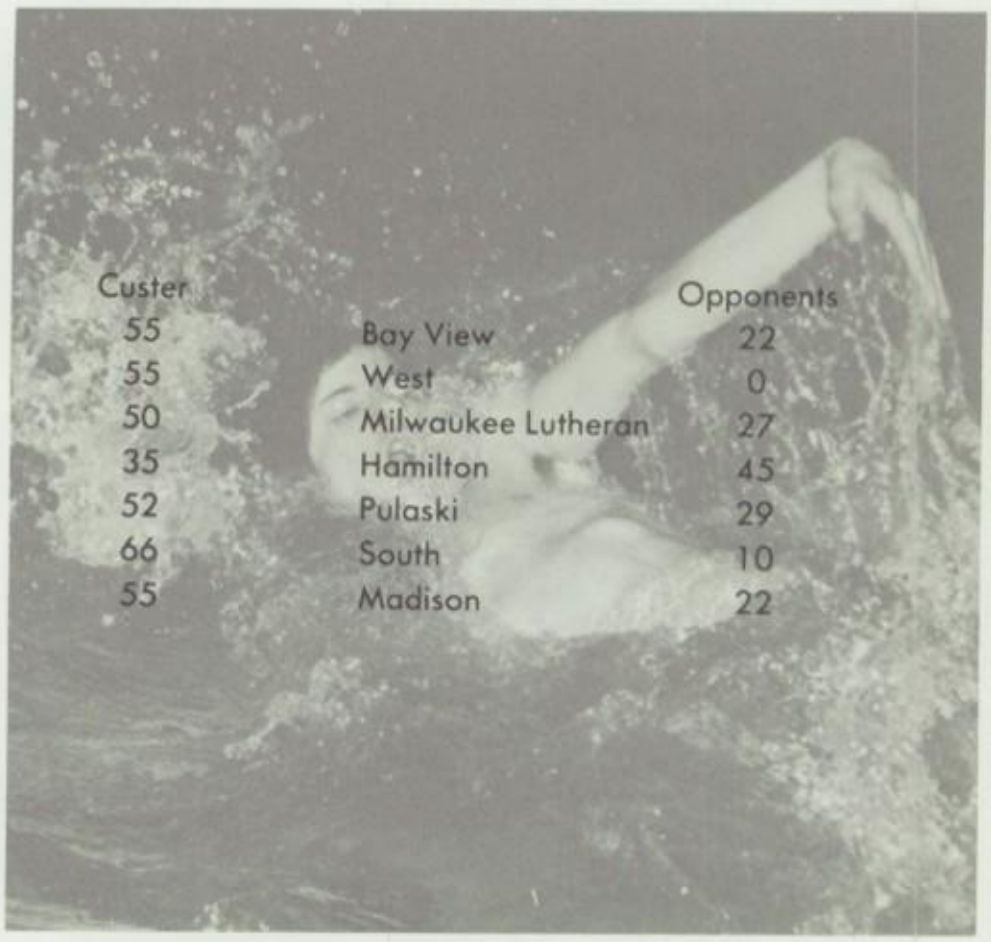
TOP — Kaczor, Davis, Hellwig, and Cler show their form on the blocks.
UPPER LEFT — Breaststroker Bill Davis who placed third in City.
UPPER RIGHT — Don Hellwig, Custer's versatile senior, performs the butterfly.
LOWER RIGHT — Wally Kutch, leadoff man in the 200 yard medley relay which placed third in the City.

SOPHOMORE SWIM TEAM — FIRST ROW — Randy Hogan, Matt Groholski, Ray Lumsden, Dan Tuskewicz, Dan Flynn, Steve Koreen. SECOND ROW — Steve Cianciolo, Tom Gust, Kurt Ritzka, Joe Twaragowski, Jon Neumann, Scott Hawkins, Coach Dressler.

This year's Sophomore team was a very successful one, posting a 6-1 dual meet record, 2nd place in the Sophomore City Championship. The team was led by the 300 yard backstroke relay composed of Lumsden, Koreen, Groholski, and Ripzka which set a City record.

Ray Lumsden also went through the entire season without getting beat in the backstroke.

Coach Dressler said this year's team was one of his most versatile and well balanced.



HALF SPLITS — Debbie Braun. LOWER BEAM — Eva Christensen and Ann Brooks. TOP BEAM — Lois Berefsky, Mary Haas, and Patty McGurty.

Girls Gymnastics

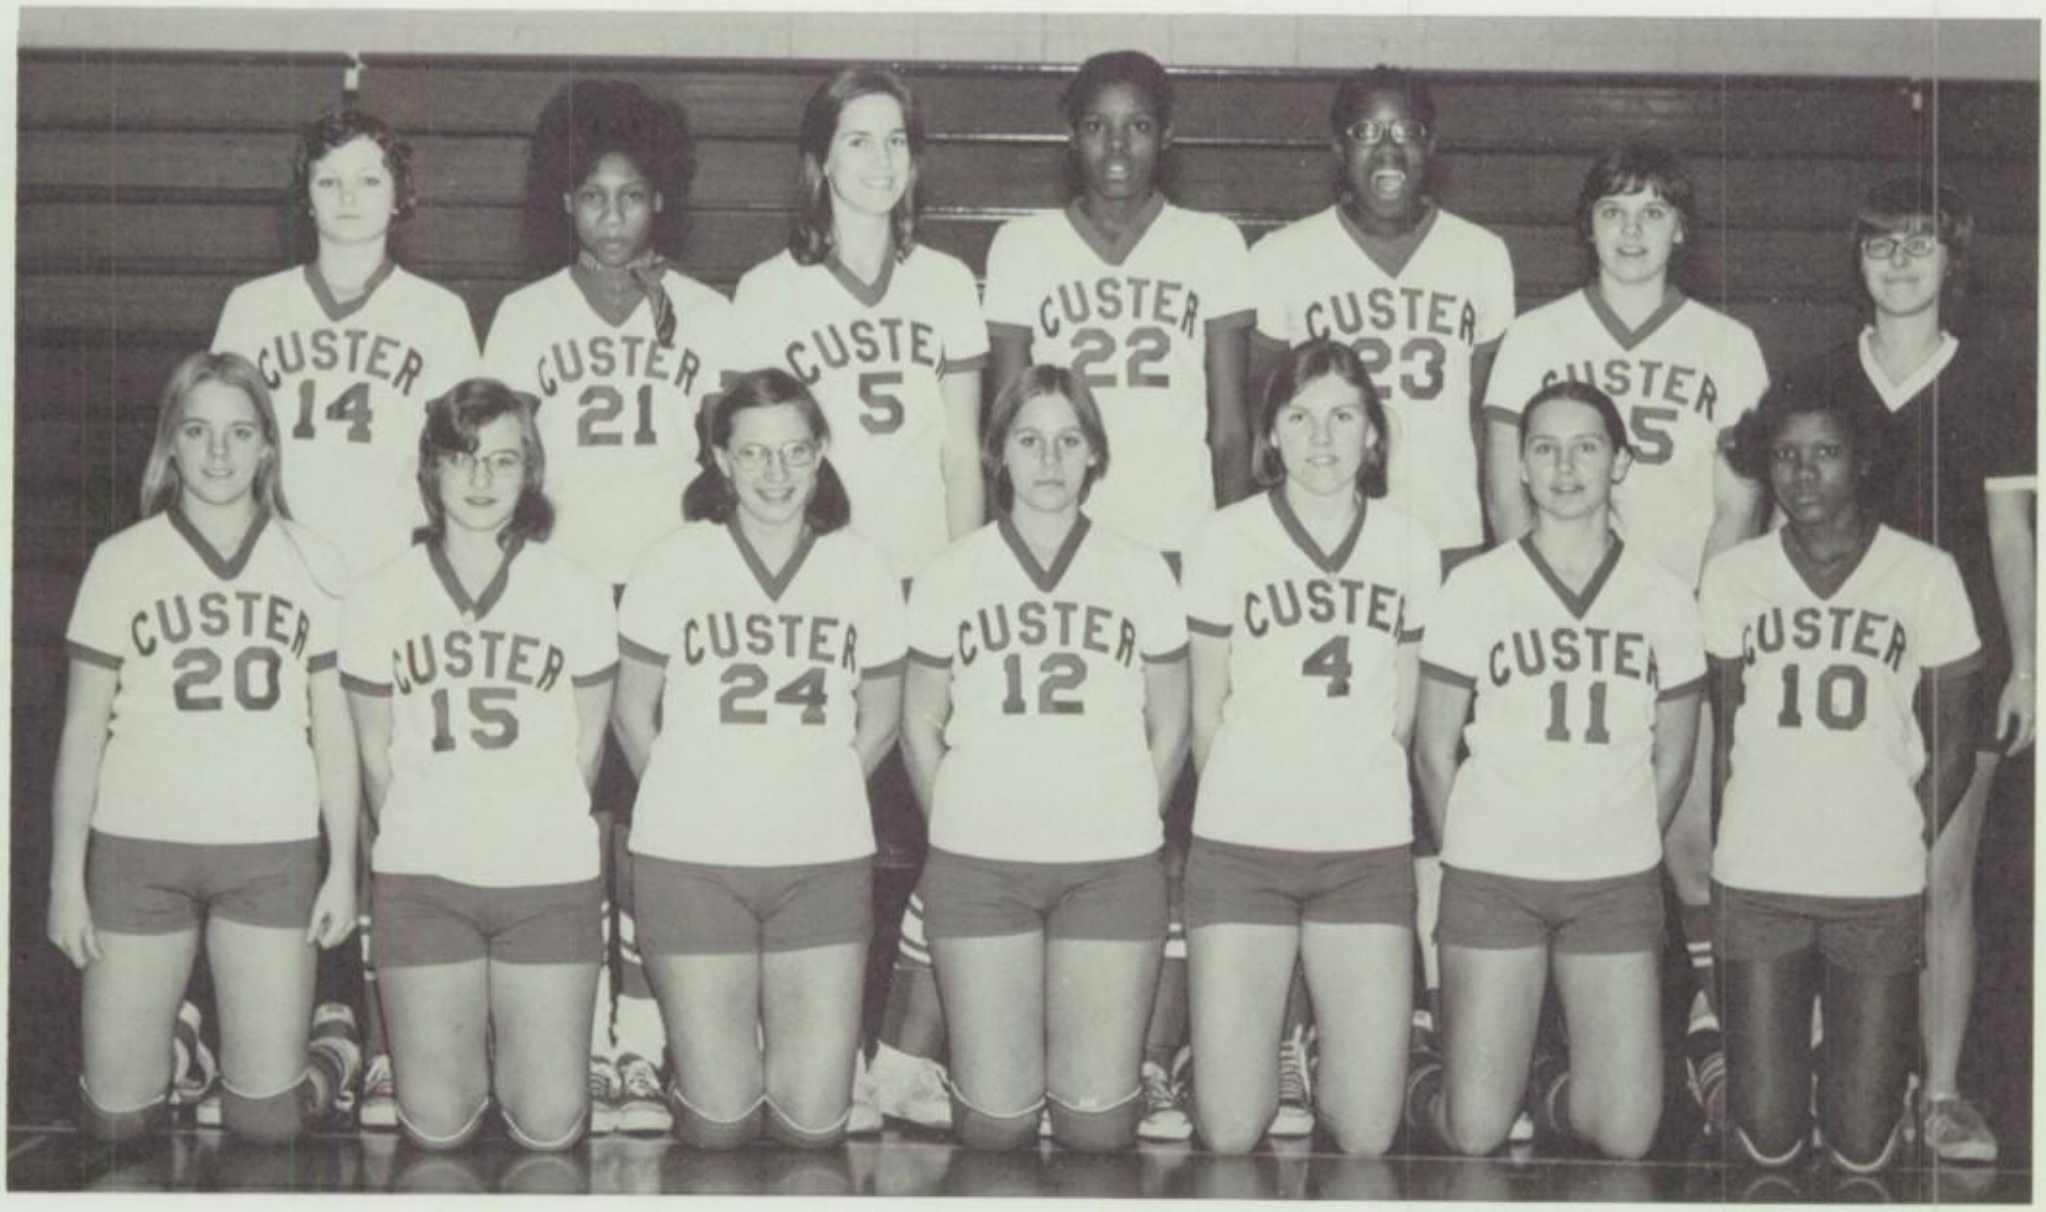
Girls Basketball

UPPER RIGHT — A few of the girls have a quick conference to plan a new scheme.
LOWER LEFT — Betty Jiles tipped the ball to Betty Willis after a successful jump.
LOWER RIGHT — The team waits patiently to see whether they got the extra point.

The Girls Basketball Team had a great season this year with only one loss to Madison High School, which lasted into overtime. At the end of the year, the Custer girls took first in the City Championships. That is a pretty good record because it was the first City Championship the Girls Basketball Team has had. Without the help of Betty Willis, Dorothy Howard and Shaneille Harrell, the Most Valuable Players, the team may have not been able to get such a good record. Miss Eberhardt wants next year's team to be just as good as this years, if not better.



GIRLS BASKETBALL — KNEELING LEFT TO RIGHT — Theresa Costello, Allison Schwanda, Louise Kuske, Mary Costello, Doris Stocker, Becky Paluch, Brenda Howard. STANDING — Mary Kosick, Betty Jiles, Diane Kastern, Dorothy Howard, Betty Willis, Barb Paluch, Coach Eberhardt.

Custer Hopes Ride on Good Pitching

VARSITY BASEBALL — KNEELING — Ray McKnight (MGR.), Klaus Hasenbeim, Jimmy Sardina, Marshall Dillon, Bob Hauck, Scott Jansen, Larry LaMarche, Jeff Makoutz
STANDING — Jeff Sinner, Coach Denemark, Glen Gerber, John Bong, John Shafranski, Dave Borkowski, Rick Weiterman, Tommy Bishop, Neil Christiansen, John Kroll.

"Strong hitting, good defense, steady pitching, an all around solid team." This is how Coach Denemark describes this year's Baseball team.

Leading the team was Rick Weiterman, who last year became the first Indian to toss a no-hitter in 5 years. Rick was a sure bet to keep the opponents from mounting an offensive attack.

Of course the Indians had to score to win, and this task was led by John Bong, Glen Gerber, Jeff Sinner, and Tommy Bishop.

Coach Denemark feels that if he can come up with a second pitcher to help Weiterman this season, the Indians are going to be very hard to beat.

VARSITY TRACK — SITTING — Roy Hill, Kurt Brinkmann, David Skellet, Lester Young, Ricky Yancey, Warren Wanzo, Steve Givens, Joe Rahole, Melvin Wanzo. KNEELING — Lynn Beheler, Tina Carrier, Sheldon Reid, Dale Weickardt, Ricky Odom, Peter Carter, Eric Griffith, Johnny Brown, Jerry Cler, Christopher S. Garven. STANDING — Lou Ortez, Rosalyn Crowder, Linda Peters, Gary Myles, John Melnick, Jim Nehls, Jon Fisher, Ron Karbel, John Kovacich, Chuck Engert, Mike Shlagel, Denise Wandry, Dawn Krause, Lee Ruhkick.

This year's track team was, according to Coach Potter, "one step away from being great." Coach Potter also felt the team, composed mainly of juniors, got a few breaks this year which helped the team run up a 9-1 dual meet record and championships in the City Relays and Greater Milwaukee Relays.

Leading this year's team was senior Lester (J.J.) Young who was the top ranked quarter-miler in the state. Other top performances were turned in by the City Relay champion mile relay composed of Wanzo, Carter, Brinkmann, and Young, Sheldon Reid in the long jump, and Ricky Yancey in the high and low hurdles.

Coach Potter feels that with this year's juniors and a few of the sophomores from the J.V., next year's team can take over where this team left off.

SECOND ROW — Mary Kopek, Eva Christensen, Joan Sobczak, Marilyn Christensen, Nowatha Ray, Missy Gerhard, Diane Kastern, Mary Kosick, Judy Smith, Carol Brown, Mary Zahn, Nicki Trum, Julie Gessup. This year's girls track team was fantastic. Captains Dorothy Howard and Jean Van Derel, and the rest of the team put forth all of their effort to stay undefeated in dual meets place first in the Racine Invitational, first in the Custer South Invitational, and share first place in the City Indoor. Fine times were put out by Betty Willis who took first in the City Indoor, and tied the state record in the high jump with a jump of 5'4", Shaunielle Harrell who tied the state record in the 100 yd. dash with a time of 11.0 seconds, and Brenda Howard who broke the school record of 58.1 in the Mrs. Ferguson says that with the strength of this young team, next year Custer will have even a better track team.

VARSITY TENNIS — KNEELING — Mike LaPorta, Dave Sohns, Donald Hellwig, Don Milet. STANDING — Tom Tollefson, Chuck Krall, Larry Junge, Ray Sikorra.

Custer's Tennis team overwhelmed the Gold Division this year piling up a 25-5 match record. The team was led by co-captains and Number 1 doubles team Dan McCarthy and Don Hellwig who went undefeated and Number 1 singles player, Dave Sohns, who only lost twice. Coach Gritt stated the team showed a lot of "spunk" and wouldn't give up when they were down.

Golfers Get "Teed Off"

GOLF — ROW 1 — Dan Birch, Cat Phelps, Jeff Fromstein. ROW 2 — Conrad Ritter, Tim Franken. ROW 3 — Keith Anderson, Moose Weber, Mark Mohr.

According to Coach Vancos, this year's Golf Team had plenty of potential but inconsistent shooting plagued the team. With a little luck Coach Vancos felt the team could have gone undefeated, but he said he was still pleased with the team's fine record.

With Wayne Phelps, and Mark Mohr leading next year's 7 returning lettermen Coach Vancos feels Custer is definitely in contention for the City Title.

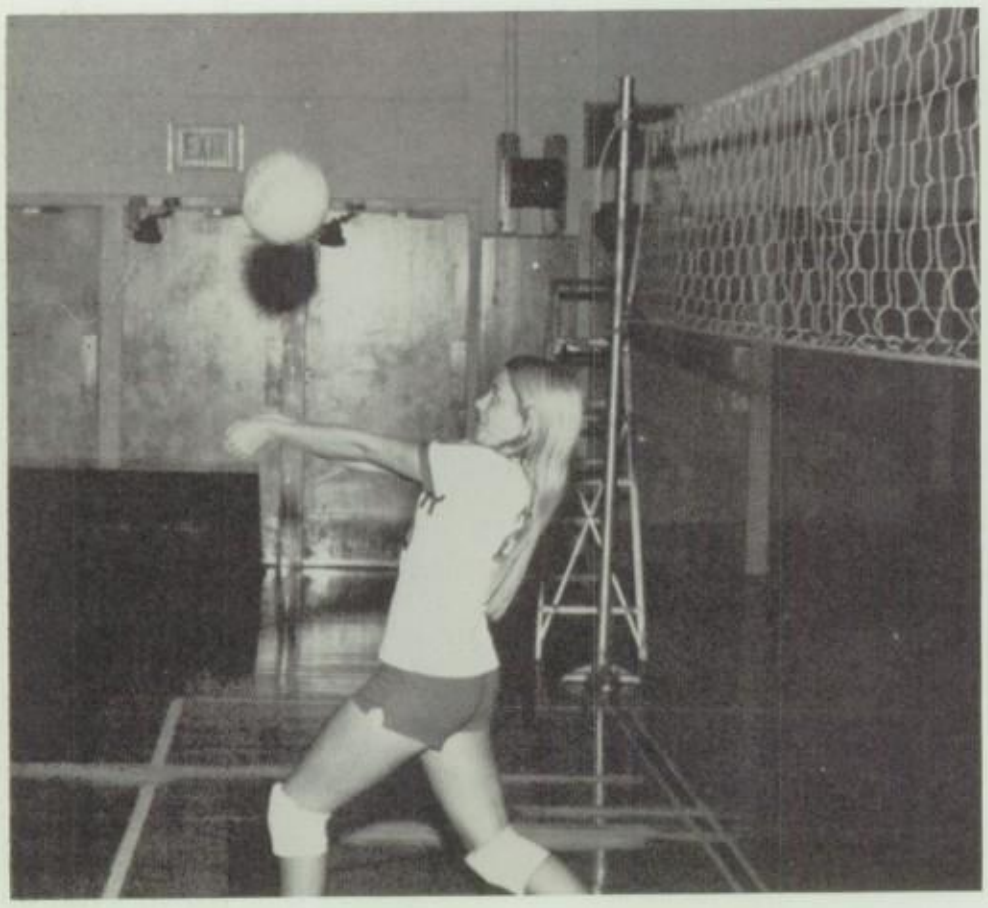
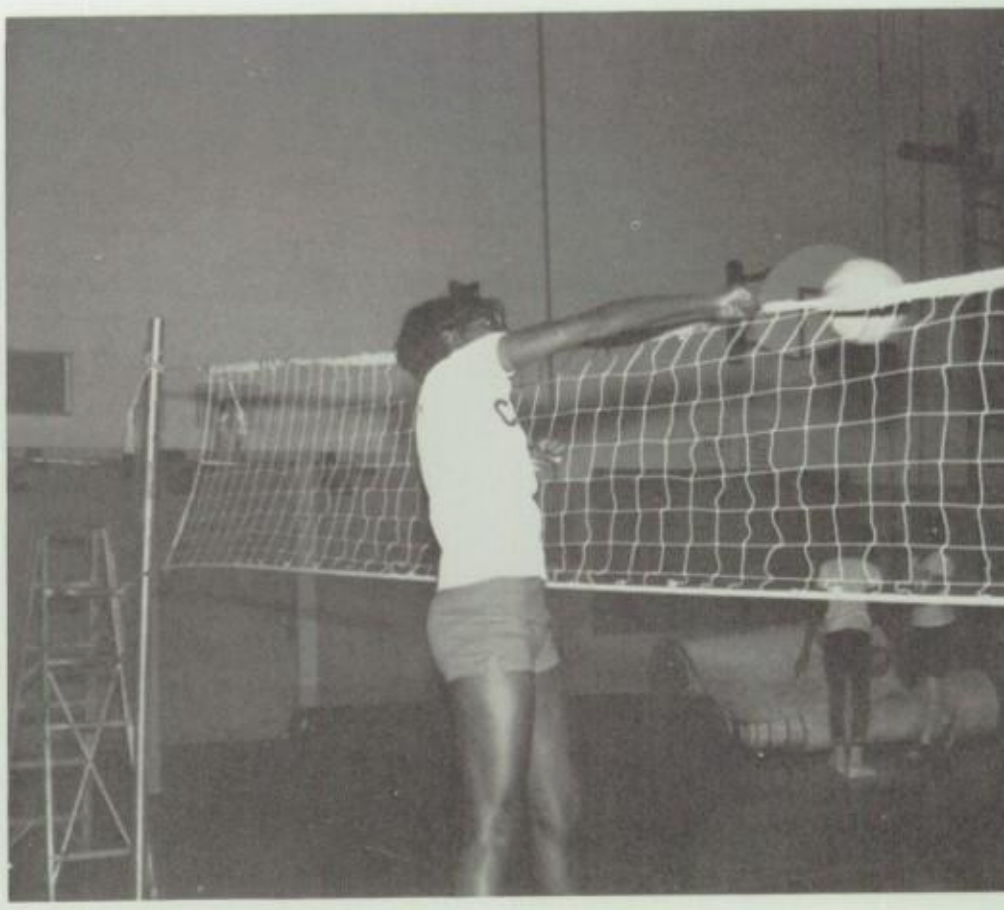
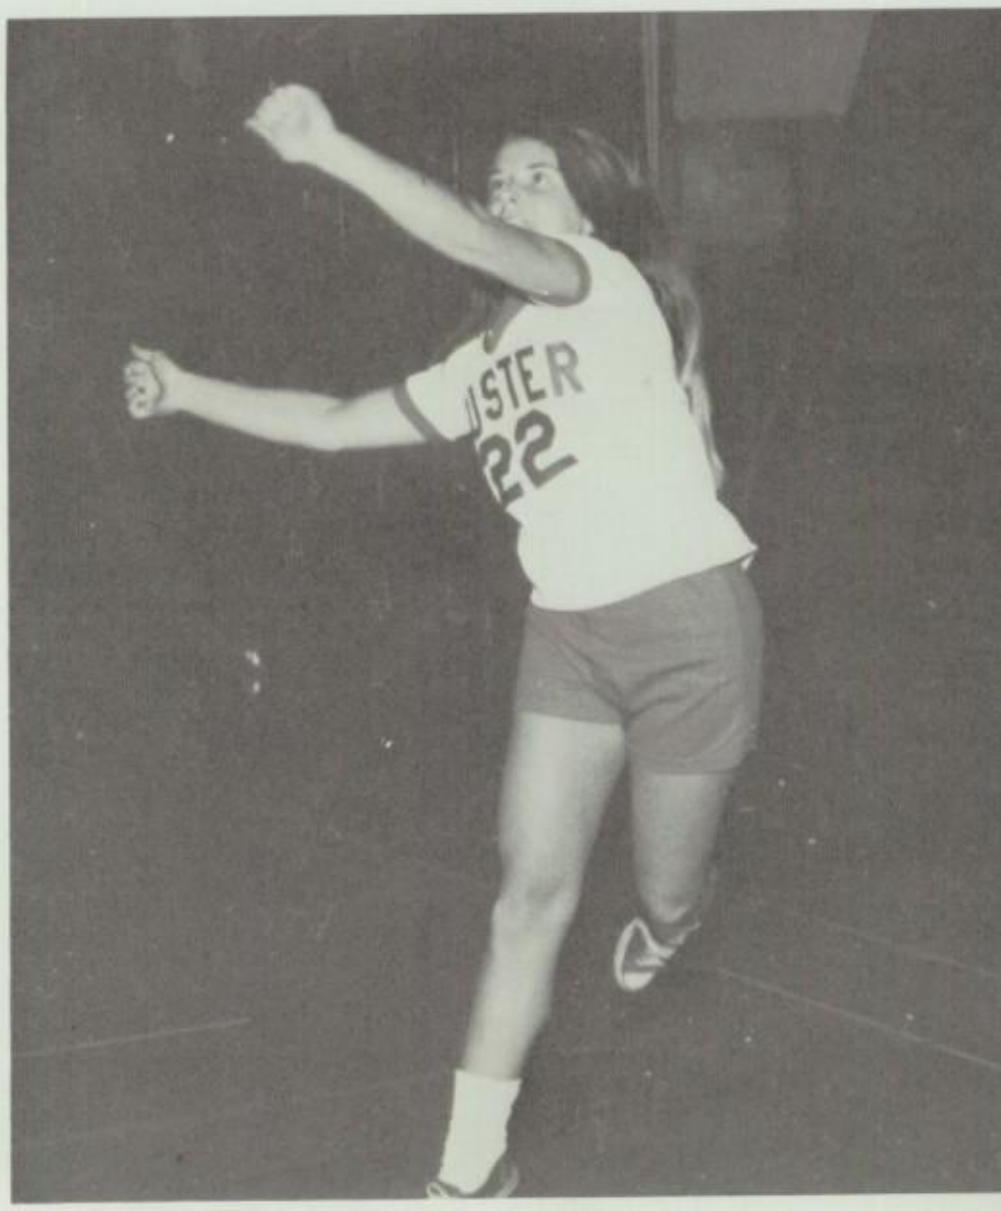
Volleyball







This year's girls Volleyball Team consisting mostly of juniors, ended the season with 7 wins and 3 losses. This was the first year for girls volleyball and we're sure that it won't be the last. The girls took third in city with the fine help of co-captains Dorothy Howard and Theresa Costello and most valuable player, Jane Cherney. Next year, Miss Olson hopes that her coaching and the team's put-out effort will bring them closer to the First place spot which they deserve.

GIRLS VOLLEYBALL — FIRST ROW — Captain — Dorothy Howard, Co-Captain — Theresa Costello. SECOND ROW — Loneve Carter, Betty Jilds, Jane Cherney, Lora Wegner, Diane Dane, Ann Steinacker. THIRD ROW — Tujuana Burt — manager, Lisa Johnson, Brenda Howard, Cheryl Houdek, Betty Willis, Lois Stadler, Kim Owens, Joanne Danforth, Karen Fondriest.

GIRLS TENNIS — FIRST ROW — Doris Stocker, Kathy Wenzel, Debbie Pomazal, Sue Kovatch, Mary Kosick, Janet Stanfield. SECOND ROW — Becky Paluch, Julie Pesch, Barb Paluch, Joan Stanfield, Kiane Kastern, Donna Kastern, Manager Dan McCarthy.

A few easy lessons and you've got it made.

Julie practices her back-hand swing.

Becky sends the ball sailing back to her opponents as Doris gets ready to receive it again.

This year, Coach Eberhardt had a young team consisting mostly of sophomores and juniors, who gave 100% satisfaction. The captain of the team, Becky Paluch, was voted "Most Valuable Player," even though every girl on the team deserved the title. The Girls Tennis Team finished third in the city tournament and finished in a three way tie for first in dual meets. This years team was one of the best teams Custer has had, seeing that the team was so young, but next year when it is older it will be the best.

Custer Ski Club

This year Custer Ski Club had a record breaking membership of three hundred students. All the members were under the responsibility of two advisors, Mr. Mitchell and Mr. Schenk. Throughout the skiing season, the club went on ten local ski trips and to a ski carnival in La Crosse. There was a trip planned to Steamboat Springs, Colorado but due to the strike, it was cancelled. To raise money for these trips, the members sold approximately fifteen hundred sets of tumblers. The money they received from this sale cut costs on all the bus expenses. The club plans on using the remainder of the money for a picnic at the end of the school year.

Make Up Club Puts on a Happy Face

During most of the major drama events, there is a lot of behind the scenes work taking place. Proper credit is not given to the Stage Crew or the Make-Up Club. Without their efforts, none of the events such as the Senior Class Play, the Variety Show, the Water Ballet Show, and many other productions would be as successful. Thank you.

MR. THOMAS — PRINCIPAL

"Custer students should walk tall and be proud to say 'I go to Custer'."

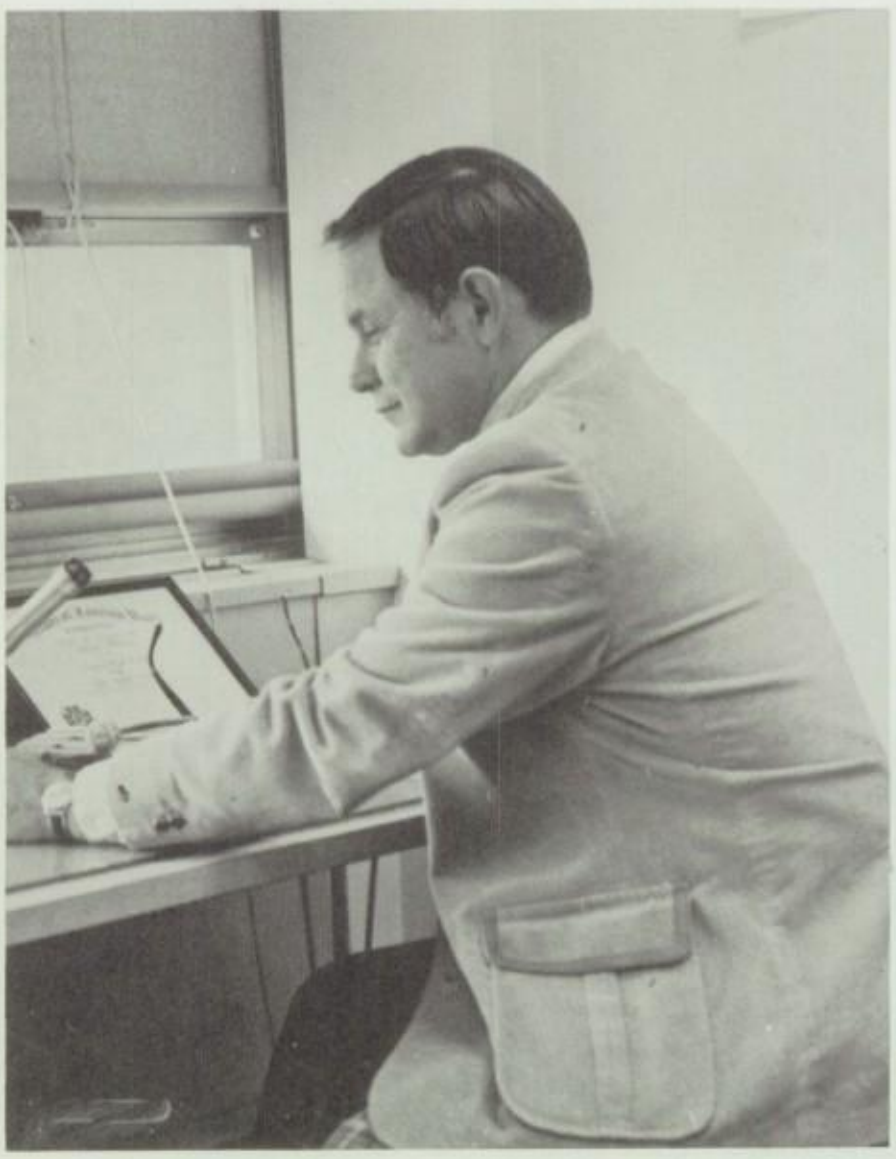
In two years as principal, Mr. William G. Thomas has made this his stated goal, and has come far towards achieving it.

He cites among his accomplishments, the following: one of the few conversational study halls in the state; the first school in the state to have a Broadway show; and a high sports standing at the end of 1974.

Currently, Mr. Thomas is seeking to change the transfer policy: "The only transfers to be accepted into the school will be in the technical department, and under the same conditions that entrance is gained into Milwaukee Technical High School."

His overall attitude has been to stress the positive and eliminate the negative.

Clearly, Mr. Thomas has a goal: Pride in Custer!



MR. ANDERSON — ASSISTANT PRINCIPAL

Upon entering Mr. Anderson's office, one can't help but notice his apparent interest in athletics. From the awards hanging on the wall, to the trophies sitting on the shelves it becomes very obvious that he is an outstanding athlete. He not only excels as an athlete but he also excels in his position as Assistant Principal at Custer.

Mr. Anderson thinks Custer is one of the best schools in the city. He feels its curriculum has more to offer than most other high schools, and this combined with the student's enthusiasm and spirit put Custer on the top. He pointed out that some students do not appreciate the good Custer offers because they haven't had the opportunity to compare it to other schools. Mr. Anderson is convinced that given that opportunity, these students, too, would find that Custer is the best school in the city.

MR. REEVES — ASSISTANT IN ADMINISTRATION

Mr. Reeves has been at Custer for 3 years. Each year brings him to a closer relationship with the students. As Assistant in Administration, one of his main responsibilities is to help the students with problems that might arise. Problems such as discipline, adjusting to new school situations and new teachers face many new students arriving at Custer. With the help of Mrs. Hill and Miss Butenhoff, he tries to help the students overcome these problems.

Mr. Reeves came to Custer with the hope of developing the character of the students. It gives him a real fulfillment to see the students who come in as restless and sometimes unruly sophomores, grow and leave the school as mature young adults. This makes the hard times he often encounters in his job, worth all of the effort to overcome them.

MR. DIDONATO — ASSISTANT PRINCIPAL

Mr. DiDonato is the Assistant Principal at Custer. As assistant Principal he has many duties, ranging from the orientation of new teachers to the attendance and discipline of the Junior Class.

When asked his opinion of Custer, Mr. DiDonato said without hesitation, "Custer is the finest school I've ever been associated with. I am very impressed by the family approach that everyone seems to use."

He described the "family approach" as being the mutual cooperation of teachers, parents and students all working together toward a common goal — a good education. Mr. DiDonato feels that in a family of any kind, there's not always success, but by working together and realizing the faults that exist, chances for success are improved.

MISS ALTENHOFEN — DIRECTOR OF GUIDANCE

Every high school student needs guidance for their future plans. At Custer, one can always depend on the competent direction of Miss Elizabeth Altenhofen, our Director of Guidance.

Miss Altenhofen started out as a Physical Education teacher at Wisconsin Avenue School. From there she was transferred to Peckham, Riverside, and then King. While at King, she got her master's degree from New York University, and did additional advanced work in guidance at Harvard, Marquette and UWM. She received her professional certification after attending Harvard. Miss Altenhofen came to Custer in 1969 from her position as Guidance Director at Rufus King.

Miss Altenhofen loves to help people and so, she loves her job. She also looks forward to her summer vacations. This gives her time to participate in other activities which she enjoys. Some of these are camping, traveling, and just being in the outdoors.
